

Announcement

We are pleased to announce that we are now able to offer a wider selection of lessons. The Stables Horse Activity Centre takes the safety of our clients and staff very seriously and we are taking every precaution following government and BHS guidelines.

Advanced and intermediate riders of any age can book 30 minute private lessons at a cost of £25. Riders must be able to mount and ride independently to maintain a 2 metre distance.

Starting from the 4th of July we will be running group lessons for advanced and intermediate riders. These will consist of 3-4 riders at a cost of £15 per person.

Group lessons must have a minimum of 3 riders to go ahead – if less than 3 are booked in we will contact you the day before your lesson and you will be offered the choice to cancel your booking or convert to a private / semi-private lesson. In all other instances we operate a 24hr cancellation policy.

If you are a new client and wish to start riding with us we can now offer you private lessons also at £25 to conduct an assessment.

For our novice and beginner riders we are offering private lessons of 30 minutes for £25 and semi private lessons (2 people) for £20 each.

For riders who require to be on a lead rein - if a member of the same household, or merged household, is deemed competent to assist by our staff during an assessment session, they may support the rider during beginner and novice classes of either private or semi private lessons. If a 2m distance cannot be maintained, riders and those supporting them may be asked to wear face masks. If a household member is not able to assist, a private lesson may be booked and your instructor can lead and will wear additional PPE.

Due to the restrictions on the numbers we are unable to offer group lead rein lessons at this time.

All riders, or their parents/guardians, will be asked to read and sign a permission document prior to the lesson. Riders should ideally use their own hats, but we can provide one where necessary. Gloves must be worn for all riding lessons and are available to purchase from the Stables.

All tack and equipment will be disinfected between riders.

If you are interested in booking a lesson, please phone the yard on [07958 919437](tel:07958919437) (Monday - Friday 8.30 - 4.30) to discuss your suitability.
